

SedonaOffice®

The #1 Financial Software for Security Companies

BOOT CAMP

For the Serious SedonaOffice User

OVERVIEW

The SedonaOffice Boot Camp is an intensive two and a half day SedonaOffice training class that will go in-depth on operating and using SedonaOffice from A through Z. The emphasis will be on how data flows throughout SedonaOffice at the General Ledger level, using all the aspects of the application, from Accounts Receivable, Accounts Payable, Inventory, Job Management and Service Processing.

Space is limited – reserve your spot today!
